

How To Add Dependants Under 18 To Your Account

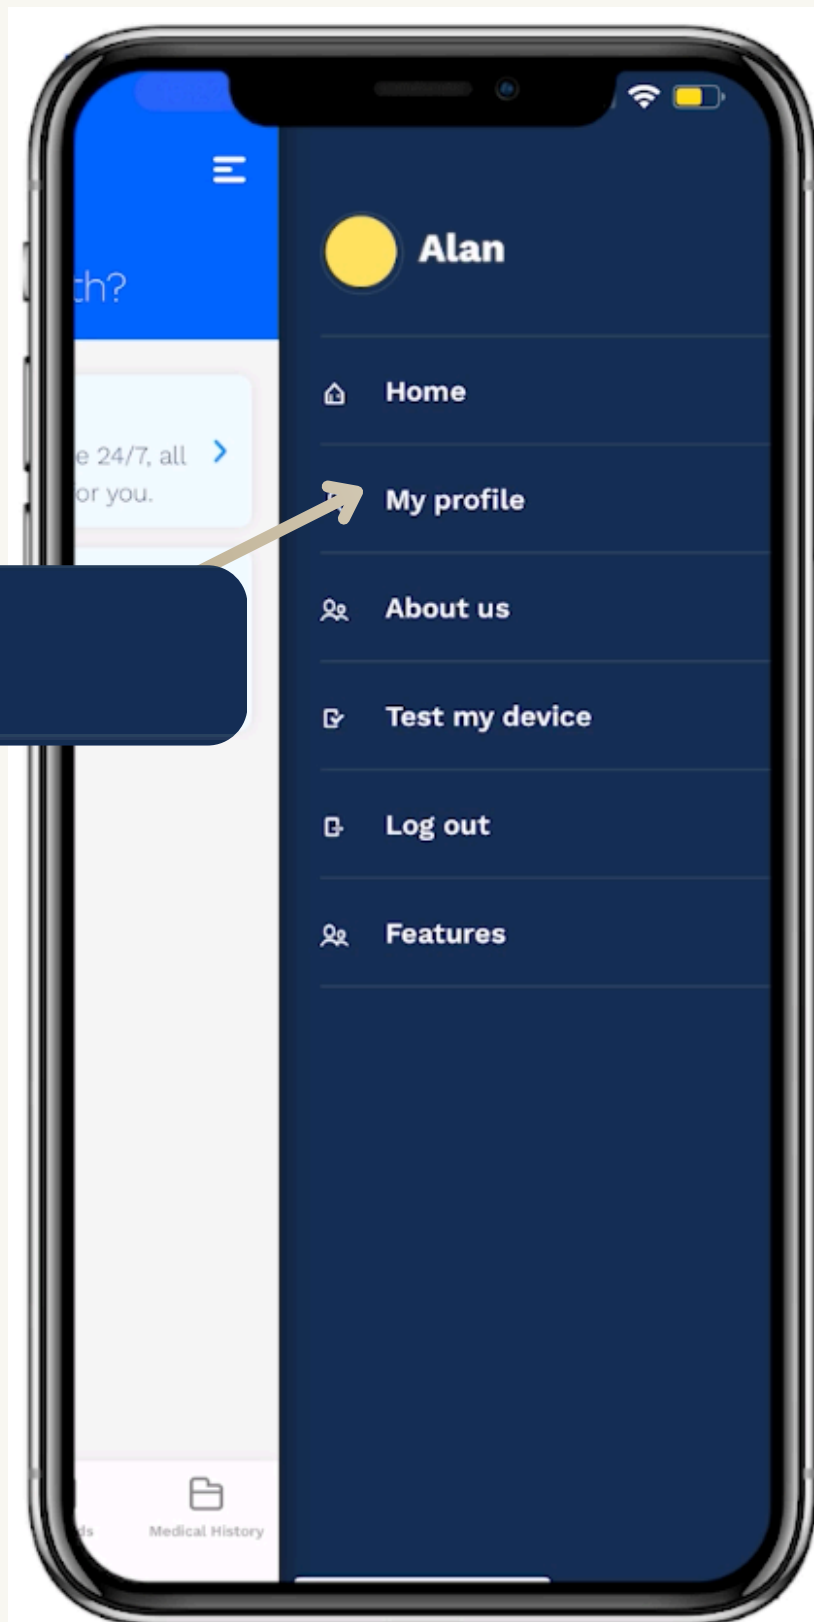

1. Click on the 3 lines in the top right corner.

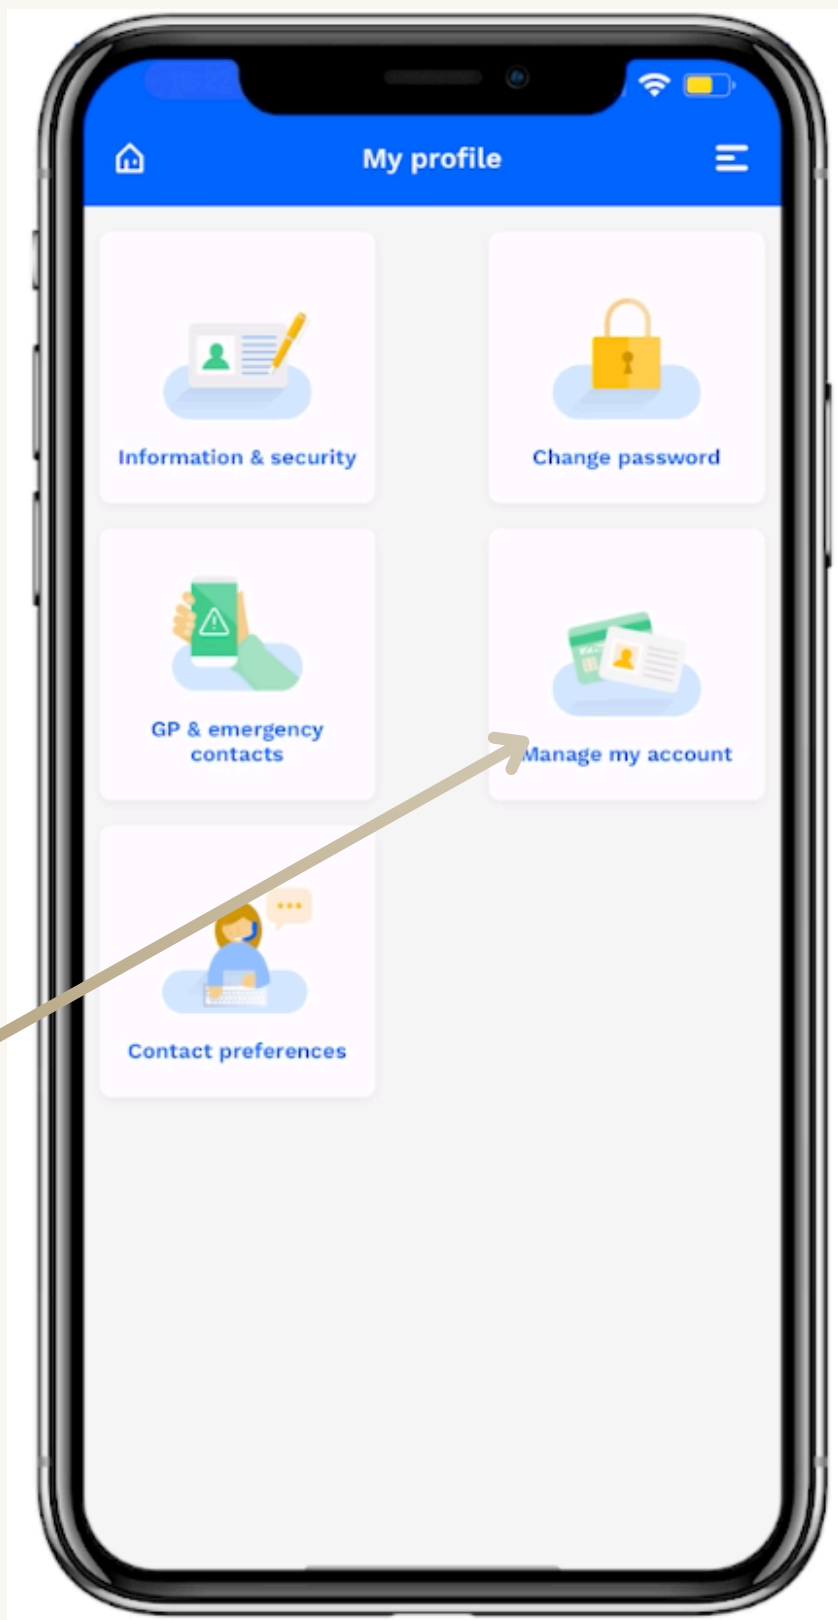

Click here

2. Select 'My profile'.

 **My profile**

3. Select 'Manage my account'.

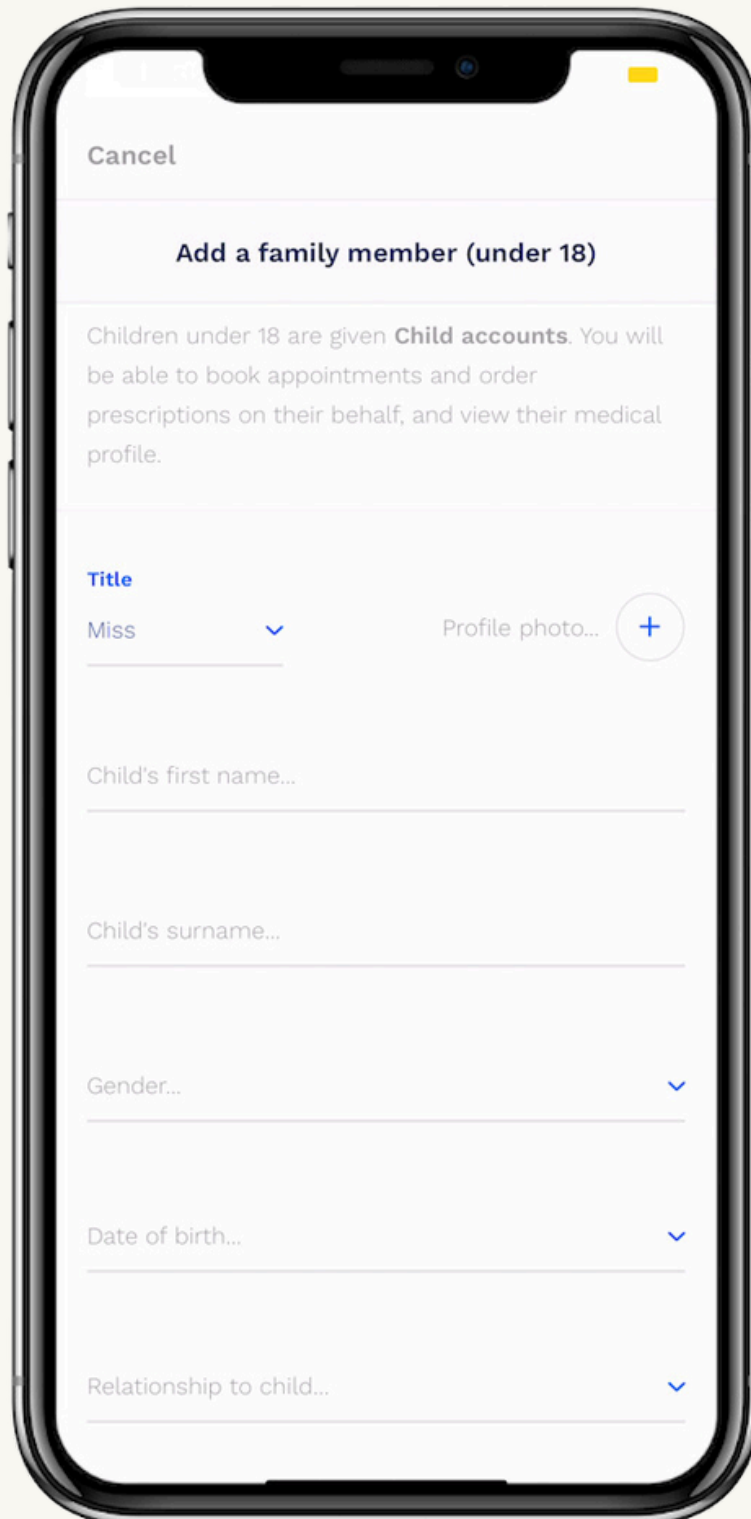

Manage my account

4. Select 'Add family member' and 'Add child (under 18)'.

5. Fill in details accordingly and click 'Done' once ready.

Cancel

Add a family member (under 18)

Children under 18 are given **Child accounts**. You will be able to book appointments and order prescriptions on their behalf, and view their medical profile.

Title
